

## 10.4 Parts list and sectional drawing KGE®+, Bearing bracket 0+, KGE14-8

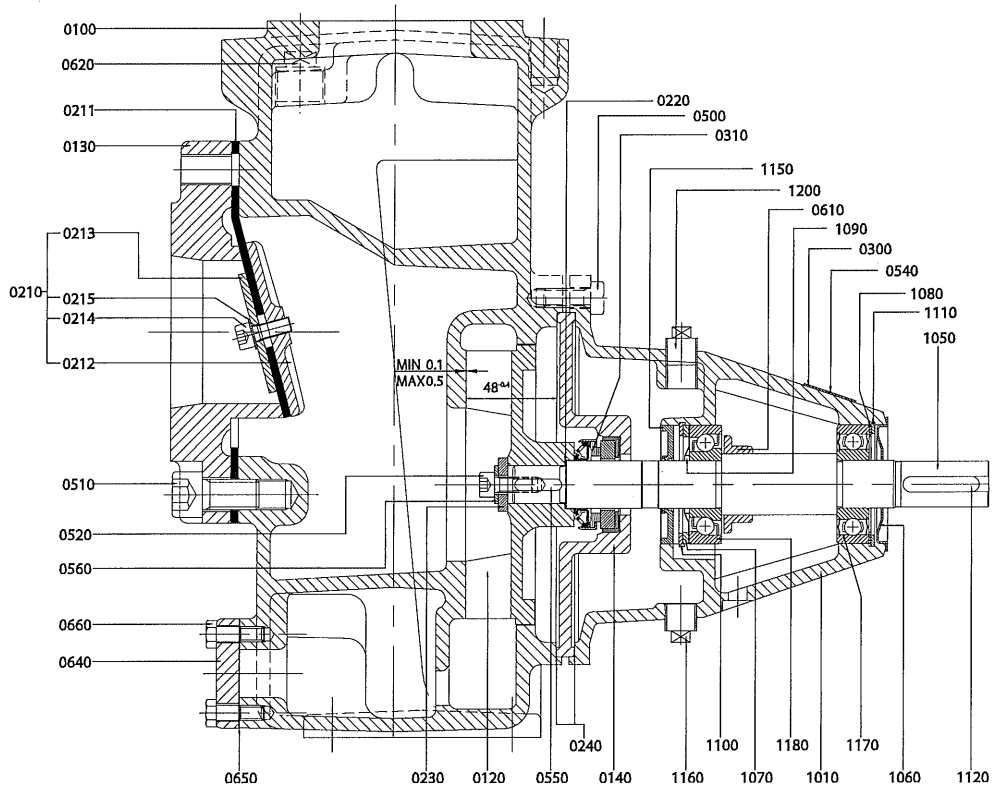

Figure 20:

| Item  | Qty            | Description        | Material         | Item  | Qty | Description     | Material        |
|-------|----------------|--------------------|------------------|-------|-----|-----------------|-----------------|
| 0100  | 1              | pump casing        | cast iron        | 0610* | 1   | splash ring     | NBR             |
| 0120* | 1              | impeller           | cast iron/bronze | 0620  | 1   | plug            | steel           |
| 0130  | 1              | suction cover      | cast iron        | 0640  | 1   | window cover    | cast iron       |
| 0140  | 1              | intermediate cover | cast iron        | 0650* | 1   | gasket          | --              |
| 0210* | valve assembly |                    |                  | 0660  | 6   | hex bolt        | steel           |
| 0211  | 1              | valve              | NBR              | 1010  | 1   | bearing housing | cast iron       |
| 0212  | 1              | valve plate        | cast iron        | 1050  | 1   | pump shaft      | stainless steel |
| 0213  | 1              | washer             | cast iron        | 1060  | 1   | bearing cover   | steel           |
| 0214  | 1              | Allen bolt         | steel            | 1070  | 1   | support ring    | steel           |
| 0215  | 1              | washer             | steel            | 1080  | 1   | washer          | steel           |
| 0220  | 4              | ring               | stainless steel  | 1090  | 1   | nilos ring      | steel           |
| 0230  | 1              | washer             | steel            | 1100  | 1   | circlips        | spring steel    |
| 0240* | 2              | gasket             | --               | 1110  | 1   | Seeger "L" ring | spring steel    |
| 0250* | 1              | gasket             | --               | 1120  | 1   | key             | steel           |
| 0300  | 1              | name plate         | stainless steel  | 1150* | 1   | lip seal        | NBR             |
| 0310* | 1              | seal ring          | carbon           | 1160  | 1   | drain plug      | steel           |
| 0320* | 1              | counterseal ring   | ceramic          | 1170* | 1   | ball bearing    | steel           |
| 0510  | 4              | Allen bolt         | steel            | 1180* | 1   | ball bearing    | steel           |
| 0520  | 1              | Allen bolt         | steel            | 1200  | 1   | plug            | polypropylene   |
| 0540  | 4              | self tapping rivet | aluminium        |       |     |                 |                 |
| 0550  | 1              | key                | stainless steel  |       |     |                 |                 |
| 0560  | 1              | spring washer      | spring steel     |       |     |                 |                 |
